

**Ranking Member's Vote Recommendations on Amendments to H.R. 8
NORTH AMERICAN ENERGY SECURITY AND INFRASTRUCTURE ACT OF 2015
Committee on Energy and Commerce, Democratic Staff**

1. **Cramer, Kevin:** Authorizes voluntary vegetation management within 150 feet of the exterior boundary of the right-of-way near structures. Prevents sale of vegetation and limits liability.

Ranking Member's Vote Recommendation: OPPOSE

2. **Rouzer; Smith, Jason:** Repeals EPA's federal standards for residential wood heaters.

Ranking Member's Vote Recommendation: OPPOSE

3. **Pallone:** Prohibits the Act from taking effect until after the Energy Information Administration analyzed and published a report on the carbon impacts of the Act's provisions.
