

Committee on Energy and Commerce
Opening Statement as Prepared for Delivery
of
Subcommittee on Innovation, Data, and Commerce Ranking Member Jan Schakowsky
Markup of 19 Bills, Full Committee
March 24, 2023

I look forward to marking up many great bipartisan bills today, including my Reporting Ownership Information of Health Specified Entities Act.

I also look forward to advancing critical legislation to help our Community Health Centers.

However, I am concerned about the last minute gas stoves bill that has not received any process, hearing or markup in my subcommittee.

I'll speak more about that when it comes up, but I hope we can work together to put consumers first.
