

TRUMP'S HEALTH CARE HIT LIST

July & August 2026

On July 4, 2025, congressional Republicans and Trump enacted the largest health care cuts in history, slashing over \$1 trillion from Medicaid and the Affordable Care Act (ACA). Already, hospitals and clinics are closing, workers are being laid off, patients are losing insurance coverage, and states are scrambling to fill budget gaps. New moms, kids, rural communities, people with disabilities, safety-net providers, and working families are feeling the strain. This digest summarizes the ongoing fallout and provides a conservative snapshot of immediate harms to communities nationwide.

MOUNTING LOSSES: JULY & AUGUST IN NUMBERS

760,000 Americans

Kicked off ACA coverage as the Trump Administration colludes with insurance companies to terminate coverage without cause for individuals and families simply because they have not seen a doctor this year. Republicans call them “phantom enrollees,” despite offering no proof that they were improperly enrolled. ([The Guardian](#))

A CLOSER LOOK AT WHO'S PAYING THE PRICE

[Winchester Medical Center Closes Observation Unit](#)

Where: Winchester, VA — Winchester Medical Center (Valley Health)
Impact: Closing the hospital's observation unit by July 1, 2026.
Why it matters: Observation units serve patients who are too sick to send home but don't meet the threshold for full inpatient admission. Valley Health says the closure is meant to save money amid federal Medicaid and Medicare reimbursement cuts and the anticipated financial impact of the "One Big Beautiful Bill Act," which the CEO says will reduce funding by more than \$80 million a year.
Effective: July 1, 2026

[Planned Parenthood of Michigan Closing 3 Health Centers](#)

Where: Lansing, Livonia and Warren, Michigan — Planned Parenthood of Michigan
Impact: Closing three health centers
Why it matters: Republican health care cuts to Medicaid coverage for family planning providers have upended the infrastructure that provides primary care, health screenings, infection testing, and contraception to Americans nationwide.
Effective: July 2026
