

118TH CONGRESS  
1ST SESSION

# H. R. 2964

To require the Federal Trade Commission to issue regulations requiring certain products to have “Do Not Flush” labeling, and for other purposes.

---

## IN THE HOUSE OF REPRESENTATIVES

APRIL 27, 2023

Mrs. MCCLAIN (for herself and Mrs. PELTOLA) introduced the following bill;  
which was referred to the Committee on Energy and Commerce

---

## A BILL

To require the Federal Trade Commission to issue regulations requiring certain products to have “Do Not Flush” labeling, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Wastewater Infrastruc-  
5       ture Pollution Prevention and Environmental Safety Act”  
6       or the “WIPPEs Act”.

7       **SEC. 2. “DO NOT FLUSH” LABELING.**

8       (a) IN GENERAL.—

9                   (1) REGULATIONS.—Not later than 2 years  
10          after the date of enactment of this section, the Fed-

1       eral Trade Commission shall issue regulations under  
2       section 553 of title 5, United States Code, requiring  
3       covered entities to label covered products clearly and  
4       conspicuously with “Do Not Flush” label notices  
5       and symbols in accordance with this section.

6                     (2) CONSULTATION WITH OTHER AGENCIES.—  
7       In developing the regulations required under para-  
8       graph (1), the Federal Trade Commission may con-  
9       sult with the Administrator of the Environmental  
10      Protection Agency, the Commissioner of Food and  
11      Drugs, and the Consumer Product Safety Commis-  
12      sion as appropriate depending on the type of covered  
13      product involved.

14                     (b) REQUIREMENTS.—

15                     (1) CYLINDRICAL PACKAGING.—In issuing reg-  
16       ulations under subsection (a), the Commission shall  
17       require a covered product sold in cylindrical or near-  
18       cylindrical packaging, and intended to dispense indi-  
19       vidual wipes, to have—

20                         (A) the symbol and label notice on the  
21       principal display panel in a location reasonably  
22       visible to the user each time a wipe is dis-  
23       pensed; or

24                         (B) the symbol on the principal display  
25       panel and the label notice, or a combination of

1           the label notice and symbol, on a flip lid in a  
2           manner that covers at least 8 percent of the  
3           surface area of the flip lid.

4           (2) FLEXIBLE FILM PACKAGING.—In issuing  
5           regulations under subsection (a), the Commission  
6           shall require a covered product sold in flexible film  
7           packaging, and intended to dispense individual  
8           wipes, to have—

9                 (A) the symbol on the principal display  
10           panel and, if the principal display panel is not  
11           on the dispensing side of the packaging, on the  
12           dispensing side panel; and

13                 (B) the label notice on either the principal  
14           display panel or the dispensing side panel, in a  
15           prominent location reasonably visible to the  
16           user each time a wipe is dispensed.

17           (3) RIGID PACKAGING.—In issuing regulations  
18           under subsection (a), the Commission shall require  
19           a covered product sold in a refillable tub or other  
20           rigid packaging that may be reused by a customer,  
21           and intended to dispense individual wipes, to have  
22           the symbol and label notice on the principal display  
23           panel in a prominent location reasonably visible to  
24           the user each time a wipe is dispensed.

1                             (4) PACKAGING NOT INTENDED TO DISPENSE  
2 INDIVIDUAL WIPES.—In issuing regulations under  
3 subsection (a), the Commission shall require a cov-  
4 ered product sold in packaging that is not intended  
5 to dispense individual wipes to have the symbol and  
6 label notice on the principal display panel in a  
7 prominent location reasonably visible to the user of  
8 the covered product.

9                             (5) BULK PACKAGING.—

10                            (A) IN GENERAL.—In issuing regulations  
11 under subsection (a), the Commission shall re-  
12 quire a covered product sold in bulk at retail to  
13 have labeling in compliance with such regula-  
14 tions on both the outer packaging visible at re-  
15 tail and the individual packaging contained  
16 within the outer packaging.

17                            (B) EXEMPTION.—The Commission shall  
18 exempt from the requirements under subpara-  
19 graph (A) the following:

20                            (i) Individually packaged covered  
21 products that are contained within outer  
22 packaging, are not intended to dispense in-  
23 dividual wipes, and have no retail labeling.

24                            (ii) Outer packaging that does not ob-  
25 scure the symbol and label notice on indi-

1                   ividually packaged covered products con-  
2                   tained within.

3                   (6) PACKAGING OF COMBINED PRODUCTS.—

4                   (A) OUTER PACKAGING.—In issuing regu-  
5                   lations under subsection (a), the Commission  
6                   shall exempt the outer packaging of a combined  
7                   product from the requirements of such regula-  
8                   tions.

9                   (B) PACKAGES LESS THAN 3 BY 3  
10                  INCHES.—In issuing regulations under sub-  
11                  section (a), the Commission shall provide that,  
12                  with respect to a covered product in packaging  
13                  smaller than 3 inches by 3 inches (such as an  
14                  individually packaged wipe in tear-top pack-  
15                  aging) and sold as part of a combined product,  
16                  if a symbol and label notice are placed in a  
17                  prominent location reasonably visible to the  
18                  user of the covered product, such covered prod-  
19                  uct is considered to be labeled clearly and con-  
20                  spicuously in accordance with such regulations.

21                  (c) REASONABLE VISIBILITY OF SYMBOL AND LABEL  
22                  NOTICE.—

23                  (1) IN GENERAL.—In requiring the symbol and  
24                  label notice under this section, the Commission shall  
25                  require that—

1                             (A) packaging seams or folds or other  
2                             packaging design elements do not obscure the  
3                             symbol or label notice;

4                             (B) the symbol and label notice are each  
5                             equal in size to at least 2 percent of the surface  
6                             area of the principal display panel; and

7                             (C) the symbol and label notice have high  
8                             contrast with the immediate background of the  
9                             packaging so that such symbol and label notice  
10                             may be seen and read by an ordinary individual  
11                             under customary conditions of purchase and  
12                             use.

13                             (2) PROXIMITY OF SYMBOL AND LABEL NO-  
14                             TICE.—In requiring the symbol and label notice  
15                             under this section, the Commission may allow a  
16                             symbol and label notice on a principal display panel  
17                             to be placed adjacently or on separate areas of the  
18                             principal display panel.

19                             (3) EXCEPTION.—Paragraph (1)(C) does not  
20                             apply to an embossed symbol or label notice on the  
21                             flip lid of a covered product sold in cylindrical or  
22                             near-cylindrical packaging.

23                             (d) ADDITIONAL WORDS OR PHRASES.—In issuing  
24                             regulations under subsection (a), the Commission shall  
25                             allow additional words or phrases on a covered product

1 that describe consequences associated with flushing or dis-  
2 posing of such covered product, if such words or phrases  
3 are consistent with the purposes of this section.

4 (e) REPRESENTATIONS OF FLUSHABILITY.—In  
5 issuing regulations under subsection (a), the Commission  
6 shall prohibit, with respect to a covered product, the rep-  
7 resentation or marketing of flushable attributes, perform-  
8 ance, or efficacy benefits.

9 (f) COMPLIANCE WITH OTHER REQUIREMENTS.—

10 (1) FIFRA REQUIREMENTS.—

11 (A) IN GENERAL.—Not later than 2 years  
12 after the date of the enactment of this Act, the  
13 Commission and the Administrator of the Envi-  
14 ronmental Protection Agency, acting jointly,  
15 shall issue regulations that, with respect to a  
16 covered product that contains a pesticide re-  
17 quired to be registered under the Federal Insec-  
18 ticide, Fungicide, and Rodenticide Act (7  
19 U.S.C. 136 et seq.), include the following:

20 (i) Instructions describing how such a  
21 covered product may comply with the re-  
22 quirements of such Act and the regulations  
23 issued under subsection (a).

24 (ii) A requirement that, not later than  
25 90 days after the date on which regula-

1 tions are issued under this subparagraph,  
2 a covered entity shall submit for approval  
3 by the Administrator of the Environmental  
4 Protection Agency a product label compli-  
5 ant with such instructions.

1           under this paragraph that is equal to or greater  
2           than the type size required for the “keep out of  
3           reach of children” statement under such Act;  
4           and

5                 (B) in the case of a covered product re-  
6                 quired to contain first aid instructions pursuant  
7                 to the Federal Hazardous Substances Act, re-  
8                 quires a type size for the label notice under this  
9                 paragraph that is equal to or greater than the  
10               type size required for such first aid instruc-  
11               tions.

12                 (g) APPLICABILITY.—The Commission shall provide  
13                 that the regulations issued under subsection (a) apply with  
14                 respect to covered products manufactured on or after the  
15                 date that is 90 days after the date on which such regula-  
16                 tions are issued.

17                 (h) ENFORCEMENT BY FEDERAL TRADE COMMIS-  
18                 SION.—

19                 (1) UNFAIR OR DECEPTIVE ACTS OR PRAC-  
20                 TICES.—A violation of a regulation promulgated  
21                 under subsection (a) shall be treated as a violation  
22                 of a regulation under section 18(a)(1)(B) of the  
23                 Federal Trade Commission Act (15 U.S.C.  
24                 57a(a)(1)(B)) regarding unfair or deceptive acts or  
25                 practices.

1                         (2) POWERS OF COMMISSION.—Except as pro-  
2         vided in paragraph (3), the Commission shall en-  
3         force the regulations promulgated under subsection  
4         (a) in the same manner, by the same means, and  
5         with the same jurisdiction, powers, and duties as  
6         though all applicable terms and provisions of the  
7         Federal Trade Commission Act (15 U.S.C. 41 et  
8         seq.) were incorporated into and made a part of this  
9         section, and any person who violates such a regula-  
10         tion shall be subject to the penalties and entitled to  
11         the privileges and immunities provided in the Fed-  
12         eral Trade Commission Act.

13                         (3) PENALTY AMOUNTS.—Notwithstanding sec-  
14         tion 5 of the Federal Trade Commission Act (15  
15         U.S.C. 45), any civil penalties imposed under such  
16         section with respect to a violation of a regulation  
17         promulgated under subsection (a) of this section  
18         shall be in accordance with the following:

19                         (A) A fine of not more than \$2,500 for  
20         each day that a violation occurs.

21                         (B) In no event may the total amount of  
22         fines imposed for a single violation exceed  
23         \$100,000.

24                         (i) PREEMPTION OF STATE LAWS.—No State or po-  
25         litical subdivision of a State may directly or indirectly es-

1 establish or continue in effect under any authority restric-  
2 tions with respect to the “Do Not Flush” labeling of cov-  
3 ered products that are not identical to the restrictions  
4 under this section.

5 (j) DEFINITIONS.—In this Act:

6 (1) COMBINED PRODUCT.—The term “com-  
7 bined product” means two or more products sold in  
8 shared retail packaging, of which—

9 (A) at least one of the products is a cov-  
10 ered product; and

11 (B) at least one of the products is another  
12 consumer product intended to be used in com-  
13 bination with such covered product.

14 (2) COMMISSION.—The term “Commission”  
15 means the Federal Trade Commission.

16 (3) COVERED ENTITY.—The term “covered en-  
17 tity” means a manufacturer, wholesaler, supplier, or  
18 retailer that is responsible for the labeling or retail  
19 packaging of a covered product that is sold or of-  
20 fered for sale in the United States.

21 (4) COVERED PRODUCT.—

22 (A) IN GENERAL.—The term “covered  
23 product” means a premoistened, nonwoven dis-  
24 posable wipe sold or offered for retail sale—

(i) that is marketed as a baby wipe or  
diapering wipe; or

(I) is composed entirely, or in part, of petrochemical-derived fibers; and

(II) has significant potential to  
be flushed.

(B) INCLUSIONS.—The wipes described in this subparagraph are—

13 (i) antibacterial wipes and disinfecting  
14 wipes;

1                             (5) HIGH CONTRAST.—The term “high con-  
2 trast” means, with respect to the symbol or label no-  
3 tice, that such symbol or label notice—

4                             (A) is either light on a solid dark back-  
5 ground or dark on a solid light background; and  
6                             (B) has a contrast percentage of at least  
7                             70 percent between such symbol or label notice  
8                             and the background, using the formula (B1 -  
9                             B2) / B1 \* 100 = contrast percentage, where  
10                             B1 is the light reflectance value of the lighter  
11                             area and B2 is the light reflectance value of the  
12                             darker area.

13                             (6) LABEL NOTICE.—The term “label notice”  
14 means the written phrase “Do Not Flush”.

15                             (7) PRINCIPAL DISPLAY PANEL.—The term  
16                             “principal display panel” means the side of a prod-  
17                             uct package that is most likely to be displayed, pre-  
18                             sented, or shown under customary conditions of dis-  
19                             play for retail sale, and—

20                             (A) in the case of a cylindrical or near-cy-  
21                             lindrical package, the surface area of which  
22                             constitutes at least 40 percent of the product  
23                             package, as measured by multiplying the height  
24                             by the circumference of the package; or

(B) in the case of a flexible film package  
in which a rectangular prism or near-rectangular prism stack of wipes is housed within the film, the surface area of which is measured by multiplying the length by the width of the side of the package when the flexible packaging film is pressed flat against the stack of wipes on all sides of the stack.

9                             (8) SYMBOL.—The term “symbol” means the  
10                             “Do Not Flush” symbol, as depicted in the Guide-  
11                             lines for Assessing the Flushability of Disposable  
12                             Nonwoven Products (Edition 4; May 2018) pub-  
13                             lished by the Association of the Nonwoven Fabrics  
14                             Industry (INDA) and the European Disposables  
15                             And Nonwovens Association (EDANA), or an other-  
16                             wise identical symbol depicting an individual of an-  
17                             other gender.
